Proudly Norfolk This Christmas

Tony Perkins Butchers has long had a philosophy which is deeply rooted in the rich agricultural heritage of East Anglia. This Christmas, we are incredibly proud to champion the finest local produce our region has to offer. By working directly with trusted local farmers and independent producers, we ensure that every cut of meat and festive trimming on your table reflects our unwavering commitment to ethical sourcing, traditional butchery, and exceptional flavour.

This passion for local excellence is at the heart of our involvement with the Norfolk Food Hall. Being part of this fantastic culinary hub allows us to stand shoulder-to-shoulder with other passionate artisans, creating a true showcase of the region's very best food and drink. It is a privilege to help bring the authentic taste of our county directly to our local community.

Our dedication to Norfolk extends well beyond the butcher's block. We are honoured to work closely with the Royal Norfolk Agricultural Association (RNAA), supporting their vital efforts to champion regional farming and educate the next generation. Through this partnership and our involvement with related local charities, we strive to give back to the countryside that provides for us all. When you shop with us, you aren't just securing a delicious Christmas dinner - you are helping to sustain the incredible network of growers, breeders, and agricultural programs that keep Norfolk thriving.

Thank you for choosing to support local agriculture this festive season. From all of us at Tony Perkins Butchers, we wish you a very Merry Christmas and a wonderful New Year!
